

# STATE OF WISCONSIN

## Restricted Bridges and Roads

For Self-propelled Implements of Husbandry (IoH) and Agricultural Commercial Motor Vehicles (Ag CMVs)  
with maximum axle weight of **25,000 pounds**

- This map is accurate from December 1, 2023 through February 29, 2024. Current maps are posted at <https://wisconsin.gov/Pages/dmv/agri-eq-veh/ag-prmts.aspx>.
- This map accompanies a permit to operate only on Wisconsin and U.S. Highways for self-propelled implements of husbandry (s. 340.01(24)(a), Wis. Stats.) and agricultural commercial motor vehicles (s.340.01 (1o), Wis. Stats.).
- Operation on municipal, town or county roads must be authorized by the maintaining authority for those roads.
- The permit that accompanies this map requires that these IoH and/or Ag CMVs be operated at or below a maximum single axle weight of 25,000 lbs per axle.
- **This map highlights the bridges and pavement segments on which travel is restricted for these vehicles.** Those bridges and pavement segments are further identified in accompanying lists. Refer to the map key and permit for other operating conditions.
- Please call us at (608) 266-7320 or email us at [AgVehicles@dot.wi.gov](mailto:AgVehicles@dot.wi.gov) if you have questions about this map or the accompanying permits or lists, or if you need to travel across a specific bridge or road segment identified as restricted.

• Prohibited bridges – operation prohibited above posted weights or above IoH/Ag CMV vehicle weight table (s. 348.15(3)(g), Wis. Stats.) and 23,000 lbs. single axle weight at all times

— Seasonally prohibited (Class II) roads – operation prohibited above IoH/Ag CMV vehicle weight table and 23,000 lbs. single axle weight during Spring Thaw – and above 25,000 lbs. single axle weight during remainder of year

— Interstate highway – operation prohibited above standard vehicle weight table (s. 348.15(3)(c), Wis. Stats.) – this table has lower weights than the IoH/Ag CMV vehicle weight table

— US Highway | US and Wisconsin highways – operation permitted at or below 30,000 lbs single axle weight.  
— WI Highway
