## DBE CONSULTANT TRAINING OPPORTUNITIES

**Training Opportunity:** Basic Fiber Network Design

Non-WisDOT participants are invited without a fee. External LearnCenter Registration Link: [External LearnCenter Training Registration for Basic Fiber Network Design](#)

### Course Description:

The course provides Introduction to the design and design parameters for installing and maintaining fiber optic networks including basic theory of the physics of fiber optics. Post installation procedures for the fiber testing and troubleshooting will be emphasized. After the inspection, testing and troubleshooting discussion learners will use fiber test documentation to identify faults or issues with newly installed fiber. *This training is for engineers and IT professionals.*

**PDH(s):** 6

**Times:** 9:00 AM – 4:00 PM

### Dates/Locations:

Thursday June 29

Wisconsin DOT NE Region, 944 Vanderperren Way, Green Bay, WI 54304  
DOT CR DTSD NE LAKE MICHIGAN

Wednesday July 12

Wisconsin DOT NW Region 718 W. Clairemont Ave., Eau Claire, WI 54701  
Chippewa Valley Conference Room

Thursday August 3

Wisconsin DOT SW Region, 2101 Wright St. Madison, WI 53704  
DOT CR DTSD SW Mad Dane & Columbia

Enjoy your day!!

## DBE CONSULTANT TRAINING OPPORTUNITIES

**Training Opportunity:** Work Zone Design

**Consultant Registration:** [Work Zone Design Non-WisDOT LearnCenter Registration Link](#)

**Course Description:** This training will be for **entry and senior level engineers** to gain a basic level of understanding on work zone impact assessments, transportation management plans, and temporary traffic control plans. Participants can expect discussion on the facility development manual chapter 11-50 and various standard detail drawings. Exercises will be held throughout the day on various work zone related topics.

**Dates & Locations:** (Choose one session)

- July 11 (DeForest State Patrol Post, Large Conference Room, 911 W North St, DeForest, WI)
- July 12 (DeForest State Patrol Post, Large Conference Room, 911 W North St, DeForest, WI)
- August 9 (Northcentral Technical College, E101, 1000 W Campus Drive, Wausau)
- October 17 (Northcentral Technical College, E102, 1000 W Campus Drive, Wausau)
- October 18 (Northcentral Technical College, E102, 1000 W Campus Drive, Wausau)

**Times:** 8:00 am – 3:30 pm

**PDHs:** Seven (7)

If you have any questions, please contact [Saundra.Hoff@dot.wi.gov](mailto:Saundra.Hoff@dot.wi.gov)

Enjoy your day!!

### DBE CONSULTANT TRAINING OPPORTUNITIES

The 2023 edition of the Survey 123 form used for Curb Ramp Post Construction Reports is ready for use. We appreciate everyone's patience as we made improvements to the form.

The updated Instructions Sheet is available on the Pantry [Statewide Forms site](#). That sheet includes a QR code that will allow users to access the new Survey 123 form via the Survey 123 application. Please note that Survey 123 must be installed on devices to access the survey form. To avoid technical issues, any previous versions of the Survey 123 application should be removed and the app reinstalled.

We will be developing supplemental training materials soon. Please direct any questions regarding the Survey 123 form to [christopher.squires@dot.wi.gov](mailto:christopher.squires@dot.wi.gov) and [DOTCurbRampDataCollection@dot.wi.gov](mailto:DOTCurbRampDataCollection@dot.wi.gov)

Thank you,

Chris Squires
