THREE PARTY DESIGN ENGINEERING SERVICES CONTRACT
STANDARD PROVISIONS

II. SCOPE OF SERVICES

A. General

1. Active Voice

- a. The DEPARTMENT defines the CONSULTANT and DEPARTMENT responsibilities within the contract documents in one of the following ways:
 - (1) Taken in context, the contract language makes the responsible party clear.
 - (2) Direct commands are written to the CONSULTANT in the active voice-imperative mood.
 - b. If the CONSULTANT thinks the responsibility for an action under the CONTRACT is unclear or given to the wrong party, the CONSULTANT will seek clarification from the DEPARTMENT.
 - c. Sentences directing the CONSULTANT to perform SERVICES are written in the active voice-imperative mood. These CONSULTANT directions are written as commands. For example, the basic requirement to perform the CONTRACT SERVICES would be expressed as, "Furnish all SERVICES to accomplish this CONTRACT," rather than "The CONSULTANT shall furnish all SERVICES to accomplish this CONTRACT". In the imperative mood, the subject "the CONSULTANT" is understood.
 - d. Requirements to be performed by others are written in the active voice. Sentences written in the active voice identify the party responsible for performing the action. For example, "The DEPARTMENT will provide manuals, guides, written instructions and other information and data necessary to enable the CONSULTANT to perform the SERVICES to the same standards required of the DEPARTMENT'S personnel." Certain requirements of the CONSULTANT may also be written in the active voice, rather than the active voice-imperative mood, if the sentence includes requirements for others in addition to the CONSULTANT. For example, a sentence that involves action by both the CONSULTANT and the DEPARTMENT would be expressed, "At the request of the DEPARTMENT, the CONSULTANT shall furnish maps, portions of plans, supplemental reports or other information relating to the SERVICES."
 - e. Sentences that define terms, describe a product or desired result, or describe a condition that may exist are written in neither the active voice nor the imperative mood. These types of sentences that describe a condition use verbs requiring no action. For example, "The DEPARTMENT REPRESENTATIVE is identified in the CONTRACT."
2. Perform all SERVICES consistent with applicable standards and requirements contained in the MANUALS. Revisions to the MANUALS made subsequent to the execution of this CONTRACT will be considered as orders defined in (IV)(B)(1.)
 3. Furnish all SERVICES, materials, equipment, supplies, and incidentals other than those designated in writing to be furnished by the DEPARTMENT or MUNICIPALITY and check or test them prior to use.
 4. The DEPARTMENT and FHWA may participate in all conferences and reviews.
 5. Confer with the DEPARTMENT and prepare and present such information and studies pertinent or requested by the DEPARTMENT to enable it to reasonably pass judgment on the features of the SERVICES. The CONSULTANT shall make such changes or revisions to the SERVICES required by the DEPARTMENT.
 6. The DEPARTMENT and MUNICIPALITY reserve the right to select the alternative to be used and may request additional alternatives be studied.
 7. At the request of the DEPARTMENT or MUNICIPALITY furnish maps, portions of plans, supplemental reports or other information relating to the SERVICES.
