

December 2022 Solicitation Questions and Responses

Solicitation	Project	Question	Response
NC-01	1058-24-31	Can the limits of the project along STH 29 be further defined?	Highland Road to the Brown County Line
NC-03	1166-05-36	Is there additional work on the 3 listed structures beyond the fencing/guardrail components?	No
NC-03	1166-05-36	Please clarify the fencing/guardrail work to be done on the structures.	The existing chain-link fences at all three structures needs to be removed and replaced with a woven-wire fence at least 3 ft. off the R/W. Guardrail may be needed within the R/W.
NC-06	1430-08-12	Who will be responsible for the traffic signal phasing evaluation?	Consultant
NC-06	1430-08-12	Is any bridge design work anticipated for the project?	No
NE-01	4110-34-00	Who will be designing the sanitary sewer and water?	The City of Oshkosh will hire a consultant for design. Coordination will be required.
