

Town Line Road Overpass Deck Replacement

Jill Schwab
Civil Engineer

Local Officials Meeting
Green Bay, Wisconsin via Skype

January 27, 2021

Overview

- Introductions
- Explain need for the project
- Explain proposed project actions
- Discuss anticipated traffic impacts
- Discuss project timeline and next steps
- Open discussion

Project Summary

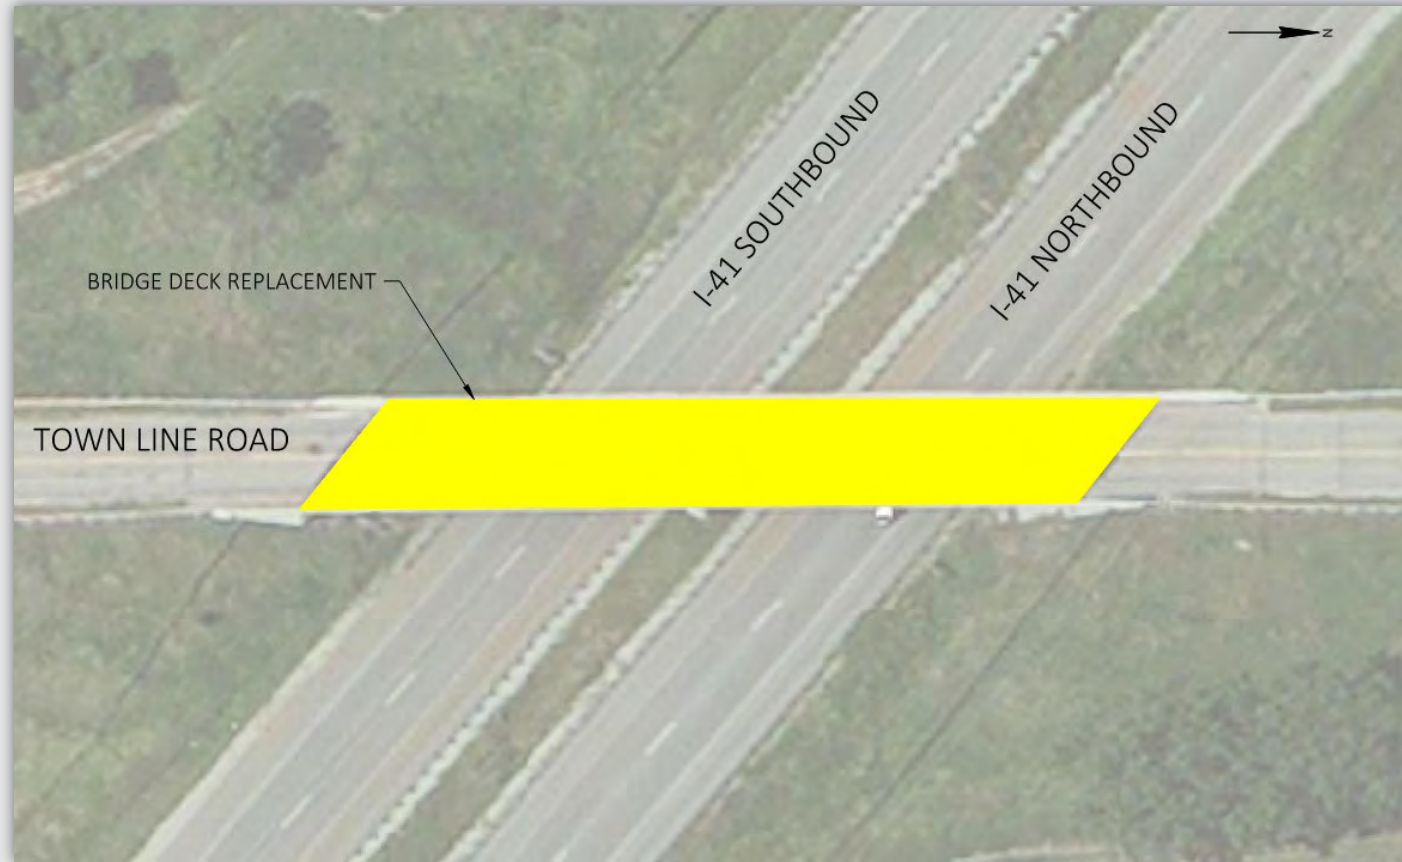

- WisDOT project ID:
 - Design: 1150-74-00
 - Construction: 1150-74-71
- Fond du Lac County
- Located on I-41 on Town Line Road, in the towns of Eldorado and Friendship
- Bridge structure number B-20-060

Project Location

Project Map

Purpose and Need

- The Town Line Road overpass structure was constructed in 1973
- Structure deck is deteriorating and near the end of its service life

Proposed Improvements

- Remove existing bridge deck and pour a new one
- Replace beam guard along I-41 shielding bridge pier and abutments
- Spot surface repair of bridge abutments as needed

Anticipated Traffic Impacts

- Town Line Road will be closed at the overpass
- There will not be a signed detour
- Access to homes, farms, fields, and businesses on either side of the overpass will be maintained
- Lane closures on I-41 for beam guard replacement

Upcoming Milestones

- Environmental document: late winter / early spring 2021
- Design study report: spring 2021
- Utility coordination: spring 2021
- Design completion: August 2022
- Letting: January 2023
- Construction scheduled for summer 2023
