

Public Involvement Handout

**WIS 54
University Way – WIS 57
Brown County**

Project ID: 1480-27-00

Handout Date: September 2022

This handout and other items are available on the design website at:

<https://wisconsindot.gov/Pages/projects/by-region/ne/54brown23/>

Thank you for your interest in this project. We look forward to your feedback.

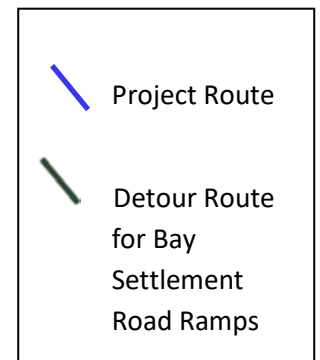

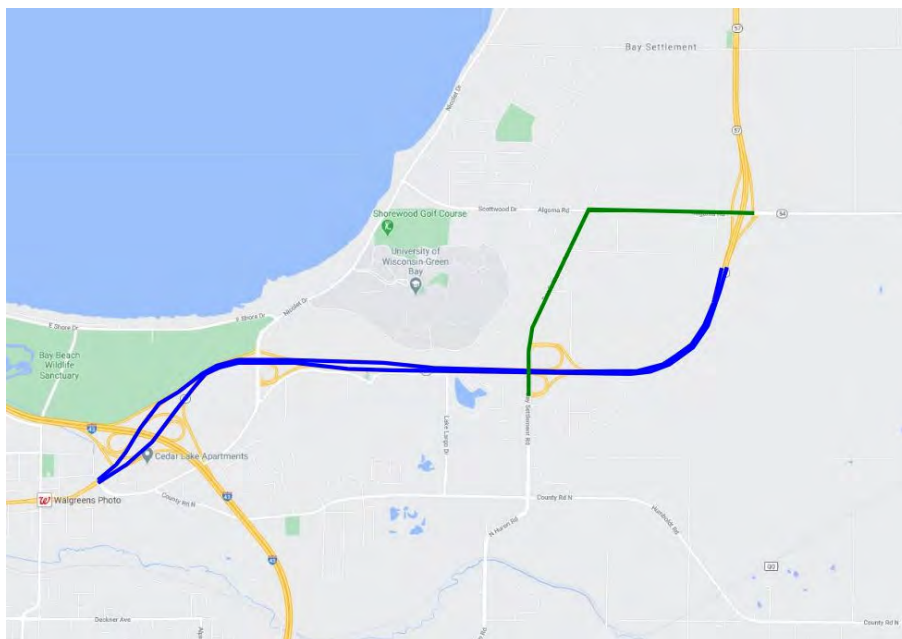

Purpose of the handout

The Wisconsin Department of Transportation (WisDOT) is seeking public feedback on the below design proposal for construction on WIS 54 in Brown County. The purpose of this outreach is to obtain your input on the identified needs and proposed improvements along WIS 54 between University Way and WIS 57 in Brown County. We appreciate your input and encourage you take a moment to review the project information and provide comment.

Project information

The project will improve 4.40 miles of WIS 54. The project is a resurface-level improvement project. The purpose of this project is to address deteriorating pavement and other roadways' deficiencies along WIS 54 from University Way to the WIS 54/WIS 57 interchange.

WIS 54 Location Map with Detour

Improvements

WisDOT is proposing a resurface-level improvement project on the 4.4 miles of WIS 54 between University Way and WIS 57. Improvements include:

- Resurfacing mainline WIS 54 (concrete repair and overlay and asphalt mill and overlay)
- Resurfacing ramps for University Avenue/Nicolet Drive and resurfacing mainline University Avenue/Nicolet Drive (concrete repair and overlay)
- Concrete repair on Bay Settlement Road ramps

- Replacing beam guard
- Replacing curb ramps at intersection of eastbound off-ramp for Bay Settlement Road and Bay Settlement Road
- Replacing culvert endwall
- Pavement markings
- Shoulder rumble strips
- Shoulder aggregate

Proposed traffic impacts

WIS 54 will remain open using temporary lane and shoulder closures for most of construction. Ramp closures as noted below:

- The ramps for I-43 interchanges with University Avenue/Nicolet Drive and Bay Settlement Road will be closed during off-peak hours during resurfacing/repairing operations.
- The ramps for Bay Settlement Road will be closed for several days for concrete repairs and a detour route will be posted.
- The proposed detour route is Bay Settlement Road to Algoma Road to WIS 54/57 interchange.
- Consecutive ramps will not be closed at the same time. Daytime and nighttime work is anticipated with this project.

Construction is currently scheduled for 2024.

Real estate

No real estate will be required for this project.

Project update/next steps

- | | |
|------------------------------------|--------------------|
| • Public Involvement | March 2021 |
| • Final Environmental Document | April 2021 |
| • Final Plans | August 2022 |
| • Construction currently scheduled | Spring/Summer 2024 |

In This Together for Businesses

If you own a business that may be affected by the closures of the ramps for University Avenue / Nicolet Drive or for Bay Settlement Road, please see the WisDOT's In This Together website tools, tips and resources that can help make your business a continued success during the project's construction.
