

# Project Public Information Handout

## WIS 25 Wabasha - Durand Buffalo & Pepin Counties

Project ID: 7170-00-76

**Handout Date: August 2021**

Thank you for your interest in this project. We look forward to your feedback.

<https://wisconsindot.gov/Pages/projects/by-region/nw/WIS25Pepin/default.aspx>

## **Purpose of the meeting**

The Wisconsin Department of Transportation is in the process of developing plans for proposed improvements to WIS 25 between the North intersection with WIS 35 in Buffalo County and Pleasant Ridge Road in Pepin County. The purpose of this handout is to provide information regarding the proposed project, describe the potential impacts it will have on the community, and offer an opportunity for public comment. We appreciate your input and encourage you to review the project information and provide comments.

## **Project information**

The purpose of this project is to extend the life of the existing WIS 25 pavement and address deteriorating culverts. Project ID 7170-00-76 is approximately 13.5 miles in length, beginning at the North intersection of WIS 35 in Buffalo County and ends at Pleasant Ridge Road in Pepin County. Proposed improvements include resurfacing existing asphaltic pavement, replacing 4 culverts and grading beamguard end terminals to meet safety standards.

## **Proposed traffic impacts**

During construction, WIS 25 will be open to local and through traffic under flagging operations. Temporary disruptions in access would occur during construction. Advanced notification of these temporary disruptions would be provided by construction staff.

Construction is currently planned for summer 2024.

## **Real estate**

No real estate acquisition is anticipated.

## **Project update/next steps**

- Public Involvement/Comment Due September 30, 2021
- Final Environmental Document October 2021
- Final Plans August 2023
- Construction Approximately 3-4 months of work, Summer 2024

## **Businesses**

If you own a business that may be affected by construction on WIS 25, please see the department's website link below for tools and resources that can help make your business a continued success during project's construction.

## Public input/comments

The public comment period for this project runs through September 30, 2021. Please submit comments to WisDOT using one of the following methods so that we receive them by the comment period due date:

1. Fill out the comment form attached to this document and mail to WisDOT
2. Email comments or questions to the contacts listed below.
3. Call the contact below.

Your comments assist us in developing a project that will serve the needs of the traveling public as well as the needs of the local community. Your input is welcome and appreciated throughout the design process.
