WisDOT Project ID: Project 8160-00-09/79
 Ashland – Bayfield
 Engoe Road Intersection
 WIS 13
 Bayfield County

This is intended to provide notification of an upcoming Wisconsin Department of Transportation (WisDOT) safety project on WIS 13 at the Engoe Road intersection in Bayfield County. Any comments received will be documented in the environmental review process. The WisDOT project team appreciates your participation and comments on this preferred alternative.

Project Description

WisDOT is preparing plans for the proposed undertaking along 0.25 mile of WIS 13 that consists of widening WIS 13 to include a left-turn lane for northbound traffic.

The project is located on WIS 13 at the Engoe Road intersection and extends 150 feet north and 600 feet south. The project is needed to improve the safety of the roadway segment of WIS 13 by reducing northbound rear-end crashes. Construction is currently scheduled for the summer of 2027.

Proposed Traffic Impacts

WIS 13 will remain open to traffic throughout construction. Work done on travel lanes and shoulders will occur using single-lane closures.

Impacts to the Area

To facilitate construction of the new lane, some additional strip right of way will be required along the west side of WIS 13 both north and south of the intersection.

Schedule

Preliminary design began.....Spring 2023
 Plans, Specifications and Estimate Submittal.....August 2026
 Scheduled Construction.....Summer 2027
