

WIS 164 Improvement Project Waukesha County

Project ID 2810-08-00

September 19 2023, 5-7 PM
Vernon Village Hall
W249 S8910 Center Drive
Big Bend WI 53103

Public Involvement Open House

The Wisconsin Department of Transportation (WisDOT) is hosting a public involvement open house meeting on Tuesday September 19, 2023, 5-7 pm at Vernon Village Hall, W249 S8910 Center Drive, Big Bend WI 53103. Project representatives will be available to answer questions and discuss project details.

Project Overview

The Wisconsin Department of Transportation (WisDOT) is proposing to improve 2.1-miles of WIS 164 in Waukesha County. The proposed project extends from approximately 430 feet south of Henneberry Avenue to approximately 670 feet north of Denoon Road.

Purpose and Need

The purpose and need of the WIS 164 project is to improve safety and address the deteriorated pavement and culverts along this highway segment.

Proposed Improvements

- New asphaltic pavement and new aggregate base.
- New wider six (6) inch pavement marking.
- Improve the subgrade in select locations.
- Widen the paved shoulder from 3 feet to 5 feet
- Add rumble strips along the centerline and both shoulders
- Replace several deteriorated cross culverts
- Replace guardrail to meet current standards

Traffic Impacts

WIS 164 is anticipated to be closed to traffic during construction. A detour route will be posted and is anticipated to utilize WIS 36, WIS 83, and Interstate 43. The construction contractor will be required to maintain access to local property owners and businesses.

Project Schedule (subject to change)

- 2023** Final Plan Preparation
- 2024** Utility adjustments
- 2024** Construction possible late summer, if funding is available
- 2025** Construction
