

US 151 & County C Town of Trenton Dodge County Project ID: 1112-06-75

Project Information

The Wisconsin Department of Transportation (WisDOT) is proposing to improve the safety at the intersection of US 151 and County C between the City of Beaver Dam and City of Waupun in Dodge County. Information for the project, including the presentation and other materials, may be viewed on the project website listed below. Please either mail or email feedback and your preferred alternative in the comment form to WisDOT Project Manager Matthew Lamb.

Project Goals:

- Improve safety by reducing severe crashes
- Simplify driver decision-making process
- Prevent semi-trucks from blocking travel lanes when stopped in the median
- Accommodate agricultural equipment

Preliminary Proposed Alternatives:

- Restricted Crossing U-Turn (RCUT)
- Median U-Turn (MUT)

Project Schedule:

- Preliminary Design Plans: Fall 2023
- Final Design Plans Approved: Summer 2026
- Project Construction: Spring 2027
