Presentation agenda

1. Project location
2. Purpose and need
3. Proposed improvements
4. Real estate and traffic impacts
5. Project schedule
6. Contact information

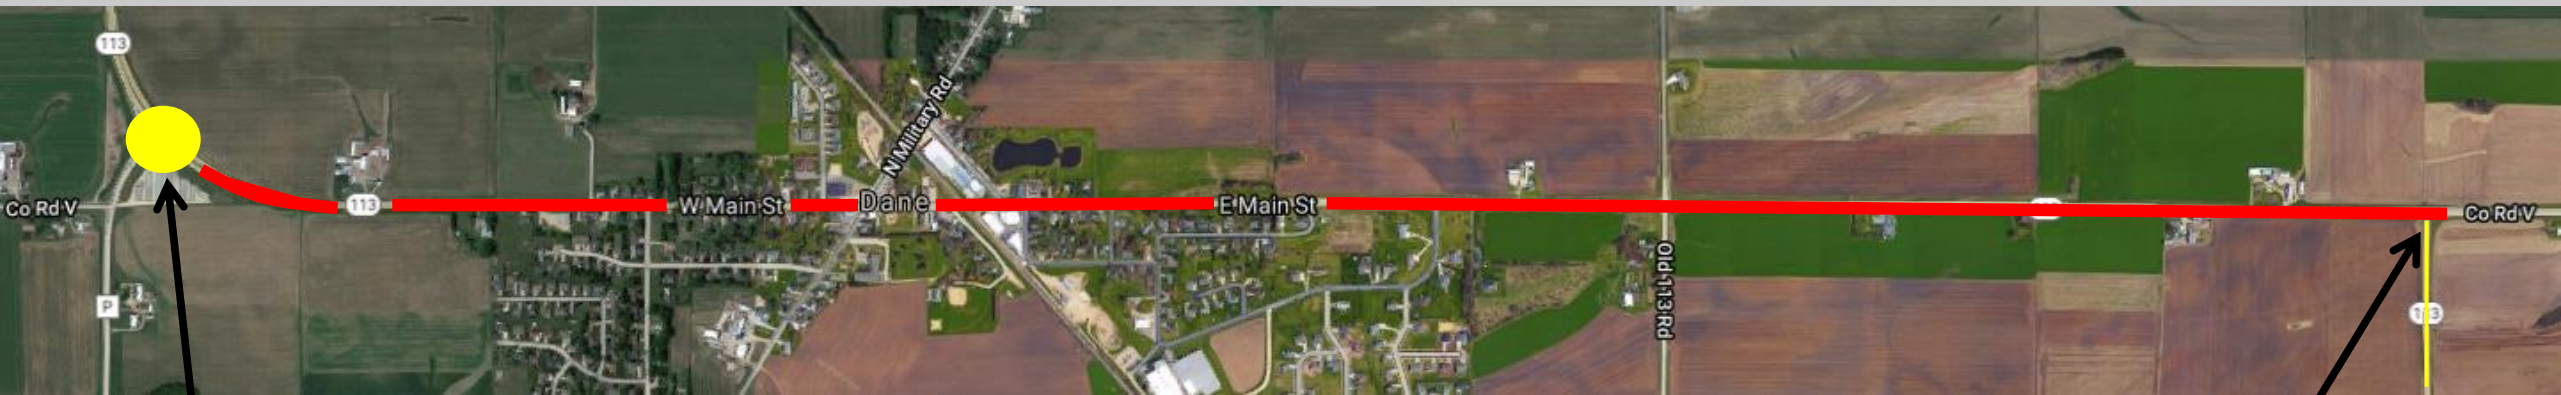

Project location

- 2.95 miles of WIS 113
- Village of Dane, Dane County
- County P – County V

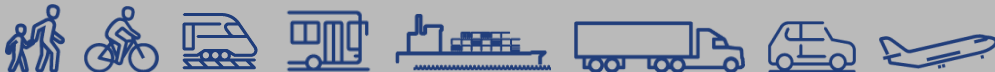

Project location

County P / WIS 113
Match into new roundabout
- Project: 5280-01-03
(Const. 2023)

County V / WIS 113
Match into new pavement
- Project: 5280-03-00
(Const. 2023)

Why do we need this project?

Pavement deterioration and roadway safety

- Alligator, longitudinal, and transverse pavement cracking
- Inadequate paved shoulder (state bicycle route)

Why do we need this project?

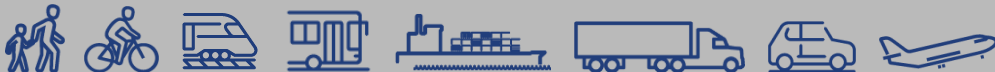

Non-ADA compliant curb ramps

Proposed improvements

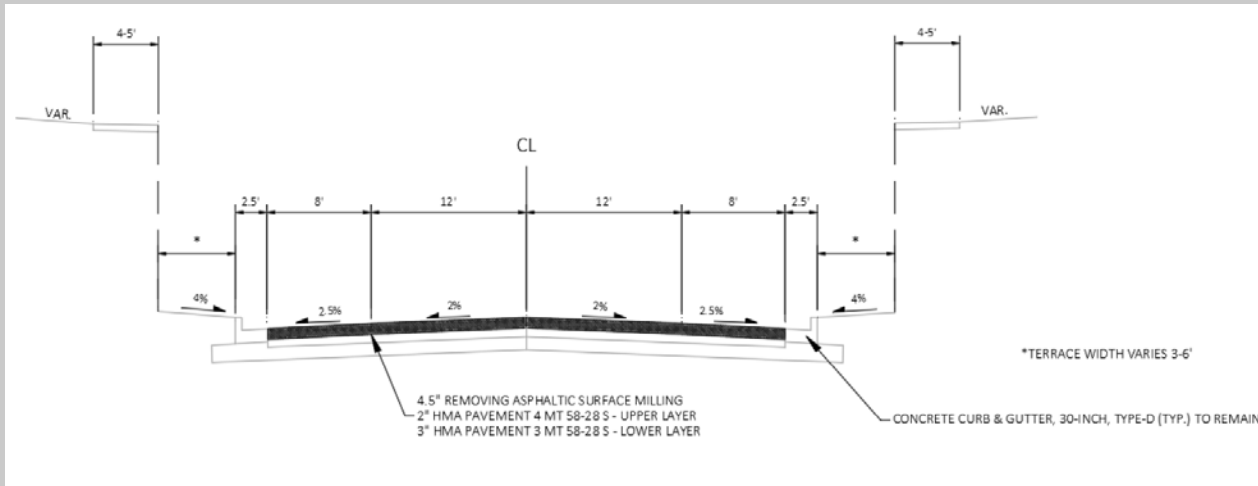

Design overview

- Pavement
 - Mill off 4.5-inches asphalt
 - Replace with 5-inches asphalt
 - Widen paved shoulder to 5-feet
 - New rumble strips, pavement markings, and shoulder aggregate
- Rural culvert replacement
- Curb ramp reconstruction
- Railroad (WSOR)
 - New track approaches
 - New crossing signals
- Village of Dane
 - Municipal utility updates

Proposed roadway section

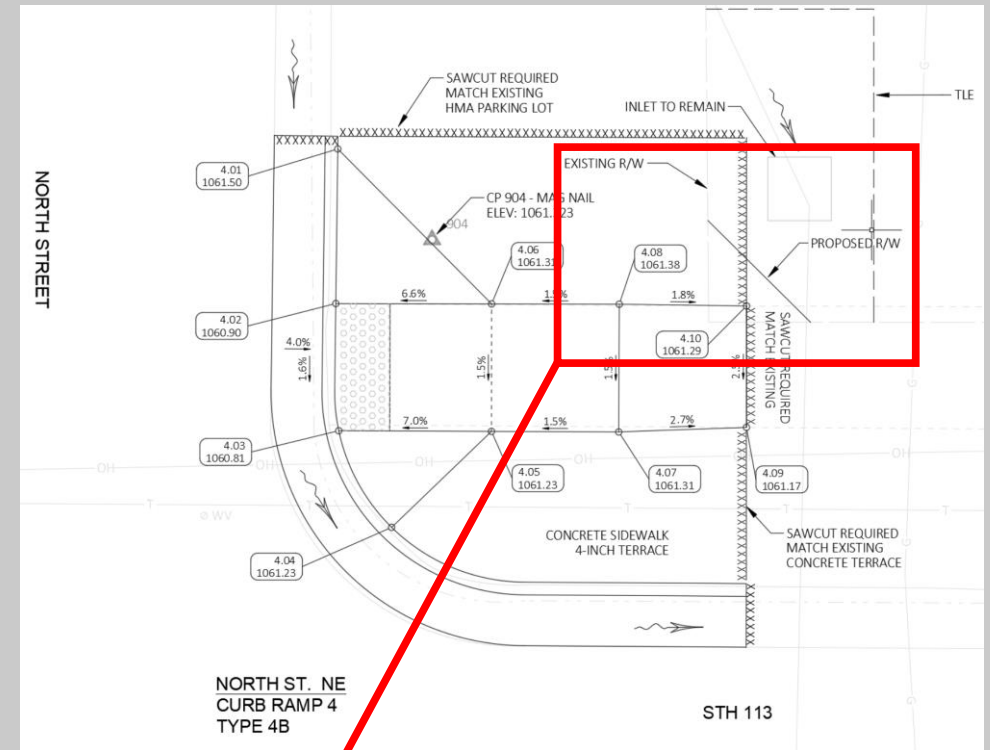

Village of Dane

- 8-foot parking lanes to remain
- Driveway aprons to remain
- Most sidewalk, curb, and gutter to remain
 - Replaced around new curb ramps

Real estate impacts

- Permanent right of way needs
 - Curb ramps
- Temporary easement needs
 - Mitigate construction impacts
 - Curb ramps
 - Culvert replacement

Ex: Right of Way acquisition required

Traffic impacts

- Road closure for construction
 - State highway detour route will be established
 - Local access maintained
- Flagging when and where possible
- Business and residential access maintained at all times
- Pedestrian accommodations for sidewalk closures

Project schedule

- Environmental Document
 - Spring 2021
- 60% Preliminary Plans
 - Summer 2021
- Real Estate Acquisitions
 - 2022 – 2024
- Final Plans Approved
 - August 2024
- Construction
 - 2027*

*Advanceable to 2025 if funding is available
