

Project ID: **3050-01-08** Hwy: **USH 19** Title: **C Watertown / Main Street** Limits: **Church St. to Market St.**
County: **Jefferson**

*It is not anticipated that we need to enter your property beyond 10' from the sidewalk. We do need to collect survey information about driveways and the first few feet beyond the sidewalk in order to match the new roadway/sidewalk into your property. **Please return the completed form within 30 days** of receiving it as it is a basis for our future mailings for this project. WisDOT is very interested in any information you may have and the affect the new highway may have on your property. Thank you again for your assistance.*
