

# WIS 27, Crawford County

Northwest Avenue to County C

Seneca – Utica

April 2021

*An in-person meeting is not planned based on public health guidance to limit public gatherings. More information is available for review on the project website:*

*<https://wisconsindot.gov/Pages/projects/by-region/sw/wis27-crawfordcounty/default.aspx>*

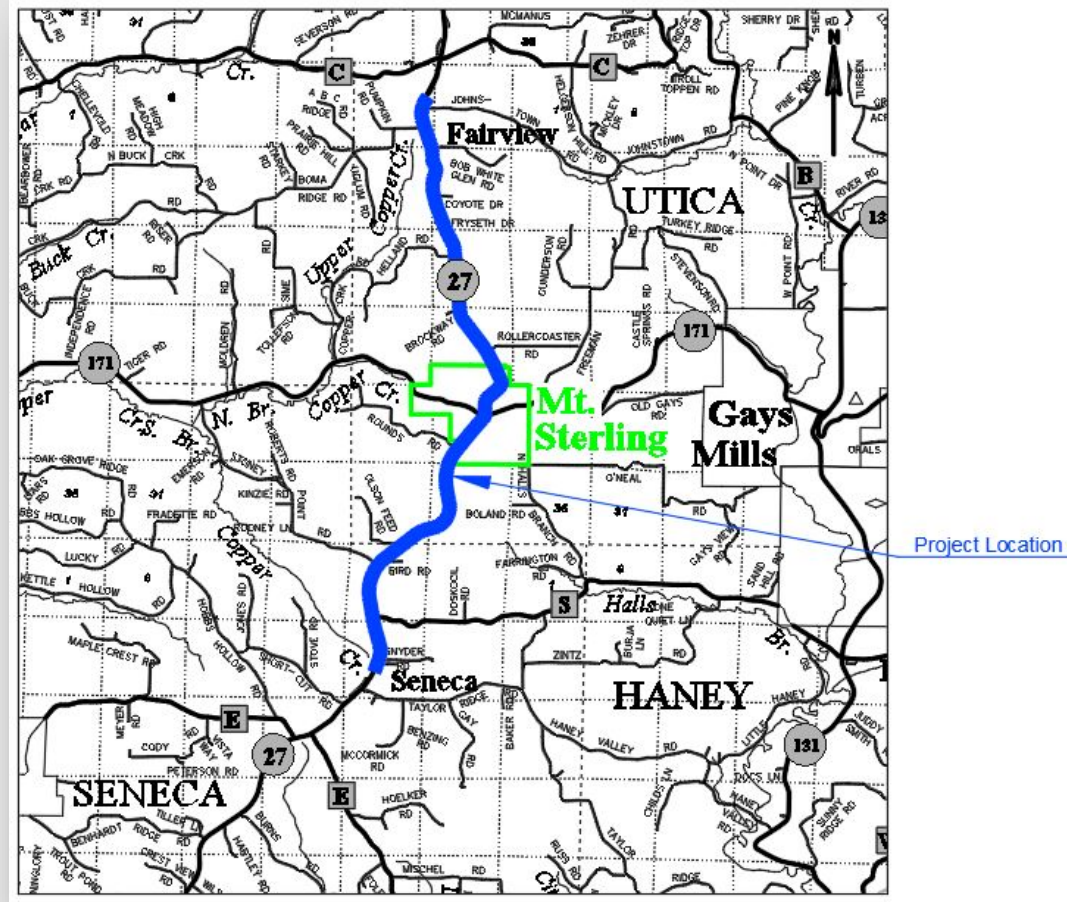

*Deaf, hard-of-hearing, deaf-blind, and speech-disabled persons should contact the Wisconsin Relay Service by dialing 711.*

# Purpose of Public Involvement

- Our objective is to obtain your input on the following:
  - Identified needs
  - Proposed improvements
  - Real estate needs

# Project Location

# Project Purpose

- Preserve the roadway asset and minimize the overall life cycle cost of the corridor

# Project Need

- Deteriorating pavement
- Deteriorating culvert pipes
- Curb ramps do not meet Americans with Disabilities Act (ADA) standards
- Guardrail is nearing the end of its service life

# Project Information

- We are proposing to improve approximately 8.5 miles of WIS 27.
  - Resurfacing the roadway by removing the top layers of the existing pavement surface and replacing with new layers of hot mix asphalt (HMA) pavement
  - Reshaping and restoring the existing gravel shoulders

# Project Information

- Proposed improvements continued:
  - Repairing the deteriorated culvert pipes
  - Replacing non-ADA compliant curb ramps
  - Upgrading and replacing guardrail
  - Replacing the pavement marking

# Proposed Traffic Impacts

- The proposed improvements will be completed while WIS 27 remains open to traffic with the use of flaggers
- Temporary sidewalk, curb ramps and crosswalks will be provided to maintain pedestrian access during construction
- Access will be maintained to all businesses and residences during construction
- Construction is currently scheduled for completion in fall 2024

# Real Estate

- Additional right of way will be required for this project
- Minor permanent right of way and temporary easements are needed for the curb ramp upgrades
- Preliminary right of way impacts are shown on the maps available on the project website
- WisDOT expects to begin real estate acquisition in January 2022
  - Individual property owner meetings will be held
  - Landowner rights brochure is available on the project website

# Project Update/Next Steps

- Preliminary design and plans – August 2021
- Final right of way plat – November 2021
- Right of way acquisition – winter 2022 to winter 2023
- Final plans – May 2023
- Construction is currently scheduled to begin in spring 2024

# Public Input & Comments

- Please provide input by April 26, 2021
  - Complete and mail comment form found in handout
  - Via online survey on project website
