DTSD - SW REGION
2101 Wright Street
Madison, WI 53704-2583

FACT SHEET

WIS 59
WIS 104 to WIS 213
Project ID: 5670-00-35
Rock County

April 20, 2021

Project Limits

This project begins about 1,000-feet east of the intersection of WIS 59 and WIS 104 and extends easterly to the intersection of WIS 59 and WIS 213. The length of the project is approximately 3.58 miles.

Purpose

This project is being undertaken to resurface WIS 59, replace old culvert pipes, and replace the box culvert over Allen Creek to extend service life and improve safety.

Project Concept

The roadway will have a 3-inch mill with a 4-inch overlay. The box culvert spanning a feeder stream to Allen Creek will be replaced and a temporary bypass channel will be constructed. New guardrail will be installed at the box culvert and two culvert pipes will be replaced. Centerline and shoulder rumble strips will be installed. Shoulders will receive new aggregate, and pavement markings will be upgraded to wet reflective pavement markings.

Traffic Control

WIS 59 will be constructed using a detour route following WIS 104 to WIS 11 to WIS 213. This project is scheduled for the 2026 construction year but advanceable to 2024 depending on funding.

Schedule

Plans Completed – **November 2023**

Construction – **Anticipated in summer 2024**
