

WIS 60 Pavement Replacement

Fact Sheet

Date: November 6, 2023

The Wisconsin Department of Transportation (WisDOT) is replacing the pavement of 2.9 miles of WIS 60/78 (Water St) in Sauk County in the villages of Sauk City and Prairie du Sac.

Proposed Project Details:

- Removal of the full existing pavement structure and replacement with 14 inches of base aggregates and 6.5 inches of asphalt pavement.
- Replacement of all curb and gutter, and reconstruction of all curb ramps to meet ADA standards.
- Signalization of the intersection of WIS 60/78 and County PF (Prairie St).
- Replacement of sidewalk in the Village of Prairie du Sac.
- Spot-replacement of deficient storm sewer structures and pipes.
- Replacement of water main in both Sauk City and Prairie du Sac along with other utility work.
