FACT SHEET

WIS 81
County Y to WIS 35
Project ID: 5215-02-04
Grant County

May 2021

Project Limits

This project begins approximately 800 feet south of the County Y intersection and ends at the WIS 35 intersection. The length of the project is approximately 9.0 miles.

Purpose

This project is being undertaken to resurface WIS 81 to extend the service life and improve safety.

Project Concept

The resurfacing project includes a mill and overlay of the existing pavement, guardrail replacement, culvert replacements at spot locations, the addition of centerline rumble strips, miscellaneous curb and gutter repair, and pavement marking. No changes are proposed to the existing horizontal and vertical alignments of the roadway or to the existing number of through lanes. No right of way will be acquired for this project.

Traffic Control

WIS 81 will be open to traffic with flagging operations reducing traffic to one lane during construction operations.
