**LEGEND**

**THE STATE TRUNK HIGHWAY SYSTEM**  
 is shown by wide black numbered lines, varying in design with the type of highway, as follows:

- Surfaced with Concrete (or other permanent surfacing)
- Surfaced with Material other than Concrete (deeply graded)
- All Weather Earth Roads (normally good dirt roads)
- Heavy Clay Earth Roads (slippery after rains and heavy going after prolonged dry spells)
- Unsurfaced Sandy Roads (heavy going after prolonged dry spells)

**COUNTY TRUNK HIGHWAYS** are shown by narrow black lettered lines as follows:

- Highways Maintained by County
- Highways Maintained by Towns

County Trunks are marked or will be marked this season with the letters shown on the Map.

- ▲ Indicates that the nearest city or village maintains a Free Public Camping Ground for tourists.
- Indicates the location of a State Park.
- ★ Indicates a Division Office of the Wisconsin Highway Commission.
