Special Provisions

3. Prosecution and Progress.

Replace paragraphs 13 and 14 with the following:

Complete all contract work required for the project, with the exception of the landscape planting surveillance and care cycles, and open to through traffic prior to 12:01 AM November 4, 2016.

If the contractor fails to complete all contract work required for the project, with the exception of the landscape planting surveillance and care cycles, and open to through traffic prior to 12:01 AM November 4, 2016, the department will assess the contractor \$1,810 in interim liquidated damages for each calendar day that the roadway remains closed after 12:01 AM, November 4, 2016. An entire calendar day will be charged for any period of time within a calendar day that the road remains closed beyond 12:01 AM.

The responsibility for notifying potential subcontractors and suppliers of these changes remains with the prime contractor.

Sincerely,

Mike Coleman
