ADDENDUM NO. 01

3700-20-80

January 29, 2020

Special Provisions

7. Utilities.

Replace entire article language with the following:

This contract comes under the provision of Administrative Rule Trans 220.

stp-107-065 (20080501)

Underground and overhead utility facilities are located within the project limits. Utility adjustments are not anticipated for this construction project. Coordinate construction activities with a call to Diggers Hotline or a direct call to the utilities that have facilities in the area as required per statutes. Use caution to ensure the integrity of underground facilities and maintain code clearances from overhead facilities at all times.

When utility adjustments become necessary during construction the utility owner will make the required adjustments in coordination with the contractor's construction operation.

Contact each utility company listed in the plans, prior to preparing bids, to obtain current information on the status of existing and any new utility relocation work.

The following utilities are adjusted as part of this contract:

WisDOT Lighting

WisDOT Signals

The following utilities have facilities within the construction limits:

The **Waukesha Water Utility** has water valve boxes at the STH 59/164 (Les Paul Parkway) and CTH Y (Racine Ave.) intersection that will be adjusted during construction by city forces. Coordinate this work by contacting the city seven days in advance of needing the adjustments. City will need one-half day to adjust each valve boxes. Contact the City of Waukesha Water Dept. at 262-521-5272.

The following utilities have facilities within the construction limits, however, **no adjustments are anticipated:**

- ANR Pipeline Co
- AT&T Legacy
- AT&T Local
- AT&T Wisconsin
- Charter Communications
- City of Mequon Water
- City of Milwaukee Electric
- City of Milwaukee Sewer
- City of Milwaukee Water
- City of Oconomowoc Electric
- City of Oconomowoc Sewer
- City of Oconomowoc Water

- City of Waukesha Sewer
- City of Waukesha Water
- Level 3 Communications
- Port Washington/Saukville School District
- WisDOT STOC
- Village of Saukville Sewer
- Village of Saukville Water
- We Energies Electric

We Energies Electric has facilities within the construction limits. It is imperative that the highway contractor contact We Energies if removing any electrical underground cables, to verify that they have been discontinued and carry no electrical current. The contractor must not assume that unmarked facilities have been discontinued. At no time is it acceptable to push, pull, cut or drill an unmarked facility without explicit consent from We Energies. Contractor must call the We Energies 24-hour Dispatch lines to arrange for this verification. We Energies Electric Dispatch #1-800-662-4797.

- We Energies Gas

We Energies Gas has facilities within the construction limits. It is imperative that the highway contractor contact We Energies if removing any gas facilities, to verify that they have been discontinued and carry no natural gas. The contractor must not assume that unmarked facilities have been discontinued. At no time is it acceptable to push, pull, cut or drill an unmarked facility without explicit consent from We Energies. Contractor must call the We Energies 24-hour Dispatch lines to arrange for this verification. We Energies Gas Dispatch #1-800-261-5325.
