

# SDD Transmittal Change Summary

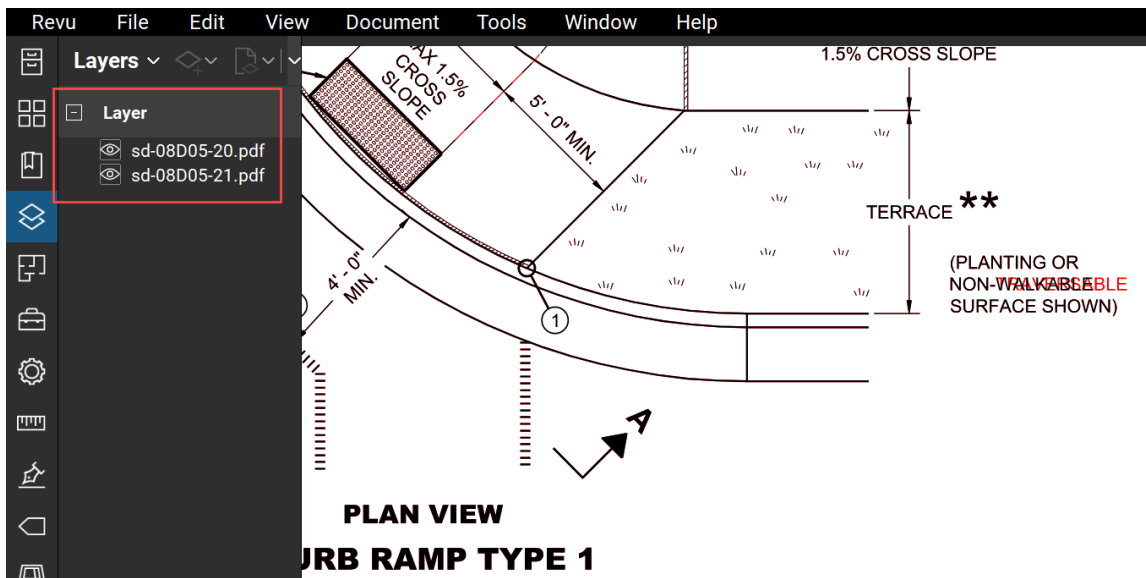

## Toggling the new and old SDD sheets in Bluebeam (Acrobat is similar)

1. Click the Layer icon

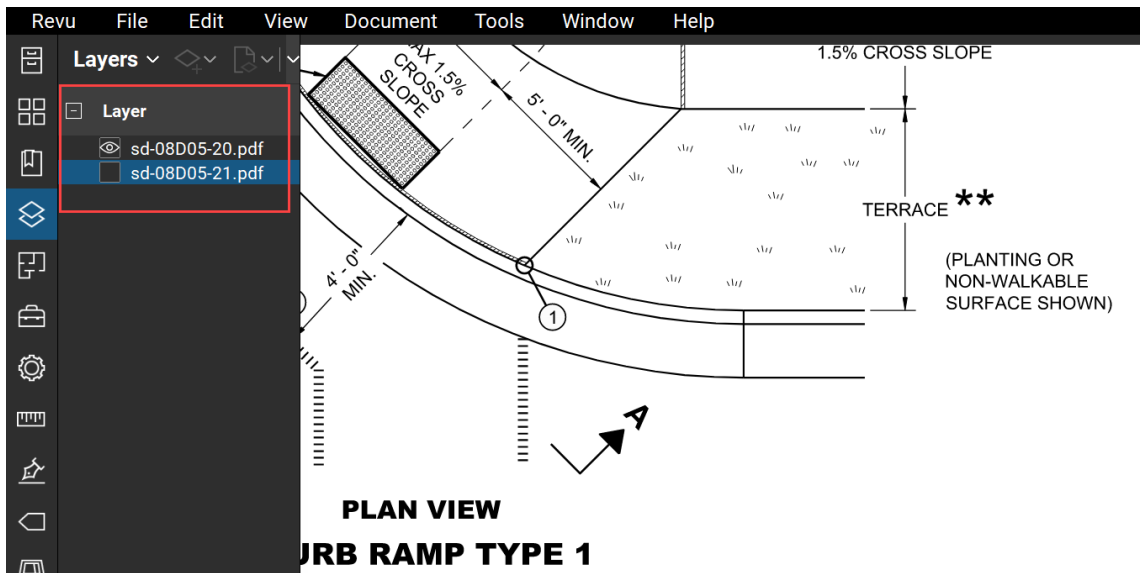

2. Click Layers and select "Show Layers On Page Only"

Both the old (black) and the new (red) SDD are shown.

3. Uncheck the eye checkbox for the new SDD to see only the old SDD.

4. Check the new SDD checkbox and uncheck the old SDD checkbox to see only the new SDD.
